

Celebrating Earth...

April, 2017

Welcome back! This month we are celebrating "Earth".

As a way to show our love for our green planet we will be holding clean up events on April 22nd (*Earth Day*).

Join in on the fun and volunteer to help clean up your community!

Read on to find the latest programs and services, upcoming events in the community, the latest news about our facilities and much more!

Programs & Services

Special Waste Mobile Collection Program

Home-bound Salinas Valley Seniors (65 years and older) or residents with disabilities now have a free and convenient way to properly dispose of batteries, paint, motor oil, and more!

Our new Mobile Collection Service provides door-to-door service to help dispose of special wastes. We come to you! Click below for more information or to schedule a pickup (Limitations and restrictions may apply).

When: Saturday, April 22nd
9 a.m.-12 p.m.
Where: King City High School

Schedule a pickup

Current SVR Projects

Long Term Facility Needs EIR Project

SVR will begin an Environmental Impact Report (EIR) Project based on the California Environmental Quality Act (CEQA) to study a new location for a permanent transfer station and resource recovery center. The Project includes studying a single site or a mix of locations in the County for the facility.

The Project would allow SVR to implement State law requirements to increase diversion activities and would help SVR meet its objectives to:

- Reduce garbage being disposed of at the Johnson Canyon land fill;
- Increase recycling and reuse;
- Decrease Greenhouse Gas (GHG) emissions by minimizing haul distances and miles travelled; and
- Minimizing land use conflicts and environmental impacts while continuing to provide recycling and disposal services to the Salinas Valley communities.

We Want to Hear From YOU!
For More Information or to Attend a Public Meeting, Click the Blue Button Below

How do I make my say count?

Que hago para que mi opinion cuente?

Reminders

- **2017 Wally Waste Not Award**
Earn \$1,500 for your school by reducing waste and promoting recycling!

For schools that submitted an application for the Wally Waste Not Award, **May 12, 2017 is the deadline** to submit the completed 5R's Activities: Reduce, Reuse, Recycle, Rot, & Reveal.
