## Great Neighbors, Good Deeds & A Better Community

Join your **City Councilman, Steve McShane**, for a very special Central Park tree planting sponsored by Rescate Verde and Sustainable Salinas. The planting will be coupled with a clean-up day at Central Park and a waste collection event. This fantastic event is made possible thanks to the Sun Street Centers, Sustainable Salinas, Republic Services, Rescate Verde & the City of Salinas. There will be a special focus on a large number of students joining from local high schools. More details:

**Central Park Tree Planting & Clean Up:** Leaders from Rescate Verde & Sustainable Salinas will join Salinas City Councilman Steve McShane to plant (3) trees in Central Park. These trees will replace trees that have died due to old age and weather. The event will include clean up efforts geared toward central park. Activities will include weeding, raking, sweeping and pruning. Neighbors are invited to join the event at 9AM on the corner of Park & Villa Street. **The tree planting will occur at 10AM.** You can count on a hot cup of coffee, donuts and plenty of small clean up projects. If you would like information on group projects, contact Steve at (831) 970-4141 or [steve@mcshanesnursery.com](mailto:steve@mcshanesnursery.com).

**Waste Collection – Park & Villa Streets:** Neighbors are invited to dispose of appliances, household trash, yard waste (no dirt or rocks), clean cardboard, metal, computers, TV's and household batteries. Please no tires, concrete, oil, paints, florescent lights or hazardous waste. The collection will only be possible between 9AM and Noon. Folks arriving before or after these times will be turned away. For more information, contact Christina at (831) 751-5443 or [CUrquidez@republicservices.com](mailto:CUrquidez@republicservices.com).
