

## Dear Wally

Wally Waste-Not is here to answer all of your recycling, composting, and waste reduction conundrums!

Our first "Dear Wally" question comes from a north county resident concerned about illegal dumping issues in our community. Find out what Wally says and ways you can help. Read the whole story posted on the [Monterey Herald site](#).

## The Western Trashion Show

February 21st was the 4th annual South County Trashion Show, and we all had a good time! This year's theme was old western and there were plenty of great outfits made out of "trash". Our *Lone Recycler* outfit was made out of ag plastic, paper bags, and office folders. Not only was this an event to show case how creative people can get by reusing recyclable and used materials, it was a fundraiser for a great cause. You can view more photos from the event at [The Alliance on Aging](#) site.
