

SALINAS CREEK CLEANUPS

Events EVERY weekend in October!

Join SavetheWhales.org and the City of Salinas in their efforts to clean up Salinas' creeks! Creek cleanups will be hosted every weekend in October – the goal is to increase clean acres of creeks by 20% before the first rain! All cleanup supplies will be provided but please wear appropriate clothing and bring a mobile device if possible. Our goal is to double our participants each week, so **bring your friends and share the events!**

**Help us clean
34 ACRES
before the first rain!**

**Win prizes for collecting
the most trash!**

**Let's DOUBLE our
volunteers each week!**
(Goal is 40 people by Oct 28!)

NEXT CLEANUP:

**Saturday, October 6th at
Santa Rita Park**

290 E Bolivar St, Salinas, CA
