TRASHION SHOW

The train of the dress is made from all the trash picked out of the overs from the organics received at JC and was accompanied by steal-toe boots to acknowledge our Operations staff for all their hard work each day at the sites.

Dress designers include: Sara, Elia, Guille, Estela, and Julia.

DENTAL INSURANCE

Oral health is an integral part of your overall well-being. Find out how they're related and what you can do to promote a healthy mouth and body.

HEALTH INSURANCE

The benefits of having a primary care physician (PCP) are enormous. A PCP will examine you head to toe.

Moreover, your annual physical will most likely be 100 percent covered by insurance. Call your insurance provider to confirm if you are not sure. Finding a PCP in Monterey County can be a challenge and can take some time. It is best to book an appointment now because it may take a couple of months to get in.
