(q) Perform such services on behalf of the Parties as the Parties, either jointly or severally, may request.

13. ASSUMPTION OF PROGRAM RESPONSIBILITIES: The Authority agrees to acquire ownership of and assume exclusive responsibility for managing landfill assets and convenience stations of the Parties, including the Crazy Horse Canyon Landfill, the Johnson Canyon Landfill, the Jolon Road Solid Waste Facility, the Lewis Road Landfill, the San Ardo County Convenience Station, and the Bradley County Convenience Station. The exclusive responsibility for managing landfill assets and convenience stations includes, but is not limited to, the establishment of rates, fees, charges, and surcharges for the use of such facilities, and ongoing and potential liability for site remediation for each landfill asset and convenience station. Each of the Parties owning such landfill assets and convenience facilities agrees to sell such assets and facilities to the Authority and to take such actions as may be necessary or convenient to ensure that the Authority Board has the authority to establish rates, fees, charges, surcharges pursuant to any agreement, license, permit, franchise, ordinance, or resolution as provided pursuant to this Agreement. Acquisition, sale, and purchase of such assets will be consistent with the terms generally described in Exhibit “A” to this agreement. It is anticipated that a portion or all of the costs of conveyance will be financed through the issuance of debt subject to the powers of this Authority as described in this Agreement. Upon execution of this
Agreement, or as soon thereafter as practical, the Parties and the Authority Board shall open an escrow, consistent with the terms described in Exhibit “A”, for the transfer of the described assets and facilities. The Parties and the Authority Board shall diligently pursue, perform, and complete all of the terms and conditions of escrow in order to ensure that escrow closes in a timely manner. Except for the failure of the Authority Board to arrange or otherwise acquire necessary financing to finance the acquisition of the assets and facilities, such assets and facilities shall be conveyed to the Authority. Upon conveyance of the above assets, the Authority will be solely responsible for the processing of all necessary or desirable permits, licenses, rulings, or any other entitlements, including, but not limited to appropriated environmental assessments, related to the operation of the conveyed landfill assets and convenience stations. The Authority will not assume responsibility for the following programs unless assigned by a Party to this Agreement and agreed to by the Authority Board governing board: collection, preparation of annual reports or integrated waste management plans, liability for fines for a jurisdiction’s failure to meet its diversion goals, regional diversion projects, public education, household hazardous waste programs, small quantity generator programs, or billing. In the event the Authority Board assumes such responsibility, the Authority shall only be responsible for obligations or liabilities that arise or occur after the Authority Board agrees to such assignment. The Authority will not assume liability for remediation of landfill sites closed or abandoned prior to the execution of this agreement. Upon the request of a Party to this Agreement, however, the Authority will provide a funding mechanism and project management for site remediation for closed or abandoned landfill sites which were closed or abandoned prior to the execution of this Agreement.

14. **BUDGETS:** Within 90 days after the first meeting of the governing board, and thereafter prior to the commencement of each fiscal year (defined as July 1 through June 20), the governing board shall adopt a Budget for the Authority for the ensuing fiscal year. The tentative first-year budget is included in Exhibit “B”.

15. **EQUALIZATION OF RATES:** The Authority Board shall establish a schedule of uniform and equalized rates that will not differentiate between geographical or jurisdictional areas within the boundaries of the Authority when the earlier of the following events occurs: (a) On the third annual anniversary of the effective date of this Agreement, or (b) the later of the dates on which the State Integrated Waste Management Board approves a facility permit and the Regional Water Quality Control Board approves a discharge permit that allows the Authority Board to create, construct, expand, or make such other improvement of landfill facilities which would provide at least an estimated additional twenty (20) years of capacity. For the purposes of this Agreement, the phrase “estimated additional twenty (20) years of capacity” shall mean twenty years of additional capacity necessary to serve the waste stream of the entire Authority, as determined by the Authority Board, and such additional capacity shall be measured in relation to the capacity estimated in the Work Program at one of the landfill sites under the jurisdiction of the Authority on the effective date of this Agreement. Nothing in this paragraph shall prohibit or inhibit the Authority Board from establishing rates based on the nature or content of solid waste nor shall this paragraph prohibit or inhibit the ability of the Authority to establish different rates for residents or businesses who reside outside of the jurisdiction of the Authority. In addition,
this paragraph shall not prohibit or inhibit the ability of the Authority to establish or collect a surcharge or other additional fees relating to the payment of an amortized amount necessary to capitalize acquisition costs identified in the Work Program or under the provisions of this Agreement. For the purposes of this Agreement, the term “Work Program” means the Work Program prepared by Brown, Vence & Associates and submitted to, and considered by, the Parties concurrently with this Agreement and the term “rates” includes fees, charges, and surcharges.

16. LIMITATION OF LIABILITY: The debts, liabilities, or obligations of the Authority do not constitute debts, liabilities, or obligations of the Parties and the Authority shall hold the Parties harmless and shall indemnify the Parties from any claim of loss that may arise as a result of the Authority’s ownership or maintenance of the landfill assets and convenience stations described in this Agreement or the Authority’s performance of any of its duties or powers described in this Agreement.

17. MANDATORY COLLECTION: The Parties shall maintain mandatory solid waste collection requirements in a form and manner at least as strict and inclusive as the requirements in effect on the effective date of this Agreement. The Parties agree that no ordinance or regulation effecting mandatory solid waste collection within their respective jurisdictions, and which is at least as strict and inclusive as regulations in effect on the date of this Agreement, shall be adopted unless the Authority receives thirty (30) days written notice. Each ordinance or regulation which is less strict and less inclusive than that which is in effect at the time of the ordinance or regulation is proposed shall not become effective until such ordinance or regulation is approved by the Authority Board. The determination of whether a proposed ordinance or regulation is more or less strict or inclusive pursuant to this provision of this Agreement shall be made by the Authority Board and such decision shall be final and binding on the Parties.

18. RESERVED. (Resolution No. 2008-49, adopted 10/16/2008)

19. TERM AND WITHDRAWAL: This Agreement shall be effective when signed by each Party and shall continue for so long as may be necessary to carry out the purpose of this Agreement or until terminated by mutual consent of the governing bodies of all Parties, whichever is earlier; provided, however, that:

(a) A Party to this Agreement may not withdraw from the Authority for a period of 15 years after the execution of this Agreement. After the 15-year initial period, a Party hereto may withdraw from this Agreement by a majority vote of the governing body thereof giving to the other Parties one year’s written notice of such intention to withdraw, so long as all revenue bonds or other forms of indebtedness issues pursuant hereto, and the interest thereon, shall have been paid or adequate provision for such payment shall have been made in accordance with the resolution (or indenture) adopted by the Authority Board pursuant to the law authorizing the issuance thereof or the approval of the debt. The Party withdrawing from the Agreement will retain its fair share of financial liability for
closure and post-closure and site remediation costs based on the tons of material it has contributed to the Authority’s solid waste system and as determined by the Authority in its sole discretion and such determination of the Authority shall be binding on the Parties. The Party withdrawing shall be afforded the same rights and ability to use Authority facilities and services as any other governmental jurisdiction which is not a member of the Authority.

(b) Upon receipt of a Party’s one year notice of intention to withdraw, the members who will be remaining in the Authority shall meet and prepare appropriate amendments to this Agreement to reflect the changed membership status. Such amendments shall become effective upon the effective date of the Party’s withdrawal.

(c) This Agreement cannot be amended in any way to the detriment of the holders of any revenue bonds or other forms of indebtedness which are outstanding in accordance with any resolution (or indenture) adopted by the Authority board pursuant to the law authorizing issuance thereof.

20. TERMINATION OF THE AUTHORITY: This Agreement shall remain in effect until terminated by mutual consent of all of the governing bodies of all Parties to this Agreement. The resolution to terminate must be passed by a majority vote of each governing board of each of the Parties to this Agreement.

21. DISPOSITION OF AUTHORITY ASSETS AND LIABILITIES UPON TERMINATION:

(a) In the event of termination of the Authority where there is a successor public entity which will carry on the activities of the Authority and assume its assets, liabilities, obligations, and funds, including any interest earned on deposits, remaining upon termination of the Authority and after payment of all obligations, the assets and liabilities of the Authority shall be transferred to the successor public entity.

(b) If there is no successor public entity which would carry on any of the activities of the Authority or assume any of its assets, liabilities, obligations, and funds, including any interest earned on deposits, remaining upon termination of the Authority and after payment of all obligations, the assets and liabilities shall be returned in proportion to the contribution of each Party during the term of this Agreement. If bonds are issued or large capital projects, such as closure construction are initiated during the term of this agreement, then in no event shall the exercise of the powers herein granted be terminated until all bonds so issued and the interest thereon shall have been paid or provision of such payment shall have been made.
(c) If there is a successor public entity which would undertake some of the functions of the Authority and assume some of its assets, liabilities, obligations, and funds, including any interest earned on deposits, remaining upon termination of the Authority and after payment of all obligations, the assets and liabilities shall be allocated by the governing board between the successor public entity and the Parties.

In the event the Authority is terminated under circumstances falling within (b) or (c) above, all decisions of the governing board with regard to determinations of assets or liabilities to be transferred to the Parties or any successor shall be final.

22. AMENDMENTS: This Agreement may be amended by the affirmative vote of the governing bodies of each of the Parties.

23. RESTRICTIONS ON AUTHORITY: For the purposes of satisfying the requirements of Government Code Section 6509, the restrictions on the power of the City of Salinas shall be applicable to the Authority.

24. DEFINITIONS: For purposes of the furtherance of this Agreement, unless the context otherwise requires, the definitions in the Act, under Title 7 of the Public Resources Codes, Division 30, Part 1, Chapter 2, beginning with section 40100, govern the construction of this Agreement.

25. COUNTERPARTS: This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, but all of which shall be deemed to constitute one and the same instrument.
