

Web Accessibility Statement

Salinas Valley Solid Waste Authority (Authority), aka Salinas Valley Recycles, strives to ensure that its services are made easier to use and more accessible to people with disabilities. The Authority strives to ensure its website is in compliance with [California Government Code Section 11135](#) and [United States Government Section 508](#).

How are we doing with accessibility?

The Authority makes available the Free Website Accessibility Widget by [UserWay](#) that is powered by a dedicated accessibility server. The software allows the Authority to improve its compliance with the Web Content Accessibility Guidelines (WCAG 2.1).

Enabling the Accessibility Menu

The Authority accessibility menu can be enabled by clicking the accessibility menu icon that appears on the lower left corner of the page. After triggering the accessibility menu, please wait a moment for the accessibility menu to load in its entirety.

Disclaimer

The Authority continues its efforts to constantly improve the accessibility of its site and services in the belief that it is our collective moral obligation to allow seamless, accessible and unhindered use also for those with disabilities.

Despite our efforts to make all pages and content on our website fully accessible, some content may not have yet been fully adapted to the strictest accessibility standards. This may be a result of not having found or identified the most appropriate technological solution.
